

OUWB School of Medicine
Standard Appointment/Reappointment/Promotion Criteria

Assistant Professor:

This rank is appropriate for faculty who have the potential for academic advancement. Assistant Professors should demonstrate potential for the development of excellence in scholarship, teaching or service. Candidates for appointment must have the appropriate terminal degree relevant to the discipline under consideration. Assistant Professors in the practice of medicine should also be board certified.

Educator Focus:

Faculty members appointed at the assistant professor rank to the education focus must have demonstrated activities that indicate the potential for growth as a medical educator and for achievements in education.
