

Clinical Professor: Appointment and promotion to this highest rank in the Clinical Track requires continued outstanding teaching, mentoring and clinical service. A national reputation is expected in scholarship, research or teaching. A Clinical Professor has many products of their scholarly activity and will have a substantial record of first-author and/or senior-author publications in peer-reviewed journals that have resulted in broad peer recognition in their area of expertise. Service in regional or national specialty societies or boards is the norm. Institutional citizenship is expected of a Clinical Professor.
