

Research Scientist Track

Research Scientist Track faculty are typically part of a scientific team or have achieved independence in a research program and have demonstrated excellence in initiation, direction and completion of research projects. A record of peer-reviewed publications is expected

Assistant Research Scientist: Candidates who are appointed or promoted to this rank must have a record of publications in peer-reviewed journals. Participation at professional meetings is typically present. Candidates for Assistant Research Scientist should demonstrate potential for scholarly development, possibly as part of a larger research program.
