

## **Adjunct Clinical Track**

Adjunct Clinical Track faculty are usually in the private practice of medicine outside the University of Michigan; in other words, the University is not the sole employer. These appointments are at 0% to 49% effort, are for no longer than one year, are renewable, and are without tenure. Adjunct Clinical Faculty must fulfill the 50 hours of teaching requirement per year.

**Adjunct Clinical Professor:** Appointment and promotion to this highest rank in the Clinical Track requires continued outstanding teaching, mentoring and clinical service. A national reputation is expected in scholarship, research or teaching. An Adjunct Clinical Professor has many products of their scholarly activity and will have a substantial record of first-author and/or senior-author publications in peer-reviewed journals that have resulted in broad peer recognition in their area of expertise. Service in regional or national specialty societies or boards is the norm. Institutional citizenship is expected of an Adjunct Clinical Professor.
