

OUWB School of Medicine
Standard Appointment/Reappointment/Promotion Criteria

Associate Professor:

Faculty at this rank must have completed a minimum of five years as an assistant professor or equivalent at the time the review for promotion is initiated, although early promotion may be considered. There is no automatic promotion to the associate professor level based solely on years in rank. This rank signifies a high level of professional accomplishment and a significant commitment by the faculty member to the School of Medicine's programs. Documentation of excellence is required. For standard appointments, faculty members at this rank must have demonstrated a sustained commitment to the educational program of the School of Medicine by accepting ongoing teaching assignments and/or committee service. Expertise and excellence must be demonstrated in the performance of such responsibilities.

Clinician Focus:

The candidate with a standard appointment for promotion to the rank of associate professor must demonstrate evidence of achievement as a clinician including regional/national recognition. Candidates must also meet expectations as a medical educator if their duties involve education to medical students, residents, fellows, graduate students or post-doctoral fellows. Achievement in service to the School of Medicine, Oakland, Beaumont or community is required.
